

Scientific Programme

The scientific program of ECBC-2017 is composed of invited lectures, award lectures, and short lectures. Students and junior researchers are welcome to present their work in the form of oral or poster presentations. The organizing committee reserves the right to accept and select the papers for oral and poster presentations.

Abstract

Please download the template for abstract (in the following page) and adhere to the instructions given in the format. The abstracts will be published as received without any modification.

Posters

Poster size will be limited to 100 cm height and 90 cm width, including title, name(s) of author(s) and affiliation. Only portrait layout format posters are acceptable. The name of the person presenting the poster must be underlined. Fixation material will be available on-site.

Award for students:

Student awards (3 No.) will be selected from the posters only in following manner. First, ten (10) posters will be selected by a panel of judges for oral presentation (8 min + 2 min Q&A). Based on the oral presentation final selection for the awards will be made. During evaluation of the posters, the presenter will be asked to describe his/her work in 5 min followed by scientific interaction. For the evaluation of oral presentation the marking system will be as follows: Overall presentation (10 marks), Q&A (10 marks), Scientific quality of slides (5 marks), time management (5 marks).
